

Name: _____

K

Each section of the Chameleon needs to be filled in with a different Visual Texture.
If you have color crayons, use them to fill in.
If you don't have crayons, use a pen or pencil.

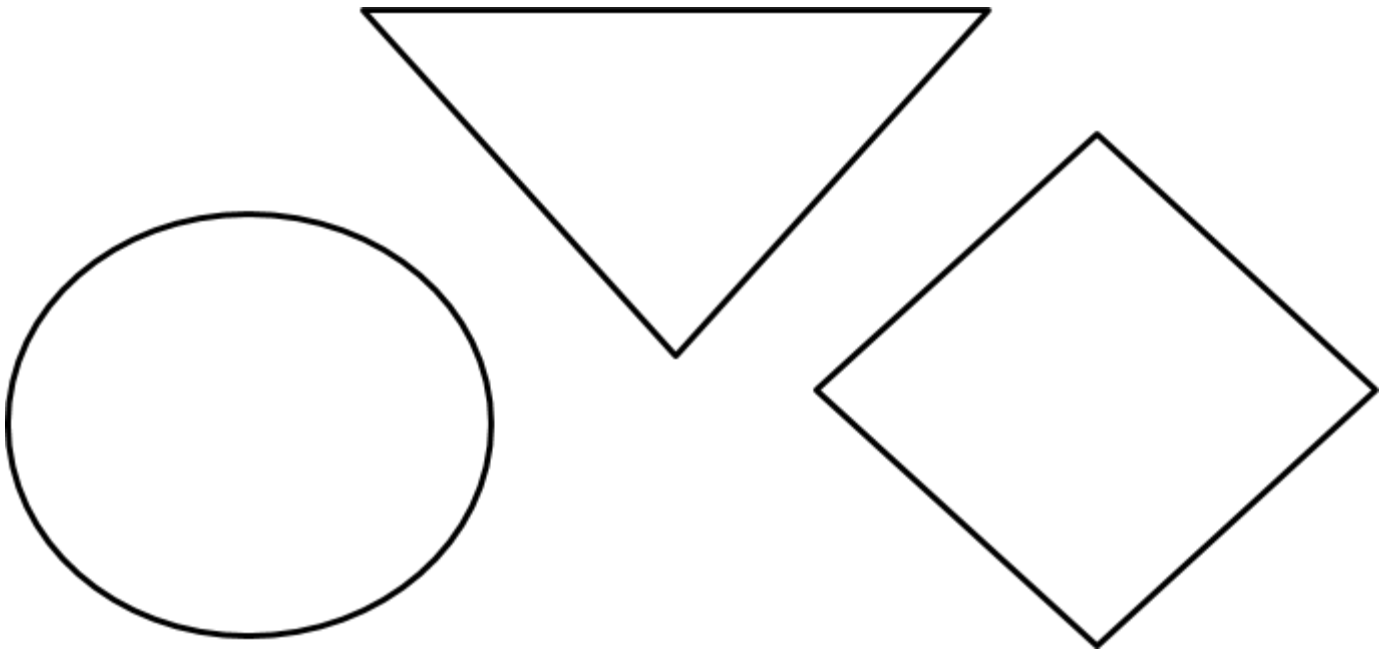

Name: _____

VISUAL TEXTURE

Visual Texture is the way something LOOKS like it should feel, but if you touch it, it's probably smooth.

Fill in each shape, using pencil,
with a DIFFERENT Visual Texture.
